March 2017

Dear SolCarb Customer,

Medica Nutrition would like to inform you of a change in SolCarb packaging. SolCarb will now be available in 454 g bottles and 6 bottles per case.

The only changes made to SolCarb are the container size and the amount per container. The product formulation remains unchanged.

The new 454 g size will enter into distribution when the 227 g stock is depleted, which is expected to be March 2017.

Minimum order: 1 case  
NDC: 52766-0007-01  
Product #: 7001

Medica Nutrition hopes you continue to benefit from SolCarb. For information, please visit our website at [www.medica-nutrition.com](http://www.medica-nutrition.com) or call 877-850-0985.

Sincerely,

Medica Nutrition
